

opk Spaceship 80 W

Ceiling Mounting

opk Spaceship 80 is a sliding door system in the construction sector. Its technically advanced system makes opk Spaceship 80 suitable for ceiling applications. High-quality carriages with ball-bearing plastic rollers move in elegant aluminium profiles EV1, which guarantee a light, wear-resistant and quiet running. Moving parts are protected from dirt by a self-cleaning construction. The assembly is simple, fast and efficient.

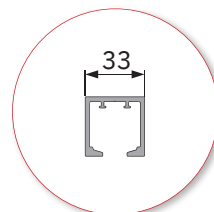

The advantages at a glance

- Wooden doors
